

Dear Parent/Carer

As previously advertised, we are hosting a Parent Forum event next Monday evening (18th October) from 7-8pm. We were hoping that this could take place in person but with the change in Covid-19 measures we will now meet online.

Please find the agenda for the session below. It will involve a combination of input from members of the College's Senior Leadership Team and break out discussions to gain parental views and suggestions.

1. School improvement and progress being made with identified priorities (curriculum development, behaviour for learning and SEND provision).
2. Home school communications and how best to improve our practices (what is working well and what could be better).

We hope that you are able to join us. Please confirm your attendance by email to principal@lvc.org by 9am on Monday morning so that a link to the virtual meeting can be shared with you.

Yours faithfully
