

Dear Parent/Carer

The Local Authority has reported a rise in Covid-19 case numbers across the county at the end of last week following a dip and are anticipating an increase this week.

I have received a number of notifications of positive results over the weekend. At present we have the following Covid-19 cases. We are also aware of some staff members and students awaiting PCR results as close contacts.

Year 7: 2 PCR and 1 LFT  
Year 8: 2 PCR and 2 LFT  
Year 10: 1 PCR and 4 LFT  
Staff: 1 LFT

**Please ensure that you log your child's Lateral Flow Test result. Only 50% of Sunday's test results have been submitted so far.** Many positive results are currently asymptomatic. In the absence of self-isolation requirements for close contacts, it's really important that all members of the College community test regularly and follow other measures to minimise the risk of transmission.

Thank you for your support.

Yours faithfully

Mrs Helena Marsh  
Principal  
Linton Village College
