Year 11 on a page...

This document has been created to welcome you to the new school year and also to provide you with a quick overview, on a page, of your child's school year.

Welcome to Year 11! Each Year Group has a Senior Link assigned to oversee them and I am the link for Year 11. I am sure that your child is encountering feelings of both excitement and trepidation as they embark on the most important year of their school career so far. GCSE's represent 5 years of hard work at the College and will open the door to the next phase of your child's educational journey. There will be further information provided later in the year about two of the most important dates in the Year 11 calendar – Leavers' Day and the Prom. I will work closely with Form Tutors and Heads of House to ensure that all students have the support that they need to reach their potential in Year 11.

Please remember, if you have any queries from home, the first point of contact should be your child's Form Tutor. Contact details are listed below.

I hope that you find this document helpful. I look forward to working with you.

George Jenkins, Assistant Principal

The Linton Learner:

The six Linton Learner attributes: independent; caring; ambitious; reflective; curious and responsible are qualities that we strive for in all our students. We believe that these characteristics are important throughout life. You will see that these are used in assemblies as well as featuring in our reward system at the College.
