Year 8 on a page...

This document has been created to welcome you to the new school year and also to provide you with a quick overview, on a page, of your child's school year.

Welcome to Year 8! For many, this year will feel like Year 7 should have done, with students moving around the College between lessons and accessing all areas. I would like to take this opportunity to remind you that the pastoral structure at the College comprises of a House system, with each of the 8 tutor groups allocated to one of the Houses. Heads of House are line managed by members of the Senior Leadership Team: Discovery and Pioneer are overseen by Shahla Matarazzo, Deputy Principal and Endeavour and Voyager are overseen by George Jenkins, Assistant Principal. Each Year Group has a Senior Link assigned to oversee them and I am the link for Year 8. When it comes to lessons, students are taught in ability groups for Science, French/Spanish and PE. All other subjects are taught in mixed ability groups. From this year, Design & Technology and Food Preparation & Nutrition are taught on rotation throughout the year.

Please remember, if you have any queries from home, the first point of contact should be your child's Form Tutor. Contact details are listed below.

I hope that you find this document helpful. I look forward to working with you.

Tim Darby, Deputy Principal

The Linton Learner:

The six Linton Learner attributes: independent; caring; ambitious; reflective; curious and responsible are qualities that we strive for in all our students. We believe that these characteristics are important throughout life. You will see that these are used in assemblies as well as featuring in our reward system at the College.
