Year 9 on a page...

This document has been created to welcome you to the new school year and also to provide you with a quick overview, on a page, of your child's school year.

Welcome to Year 9! Each Year Group has a Senior Link assigned to oversee them and I am the link for Year 9. Year 9 is an important year as, not only does it form the academic foundation for GCSE exams, it is also a time where the students really begin to identify their strengths and the things they are passionate about developing in the future. This is the year to choose which Options to pursue to GCSE. There is also Enrichment week, where the school calendar is full of exciting opportunities for both day trips and a residential. I hope your child will make the most of everything LVC has to offer this year.

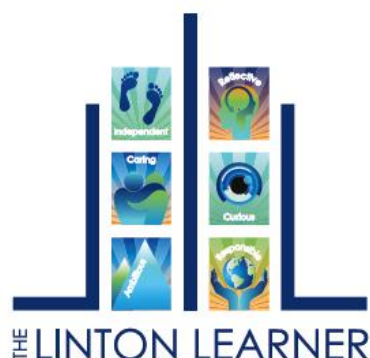

Please remember, if you have any queries from home, the first point of contact should be your child's Form Tutor. Contact details are listed below.

I hope that you find this document helpful. I look forward to working with you.

Carey Mayzes, Assistant Principal

The Linton Learner:

The six Linton Learner attributes: independent; caring; ambitious; reflective; curious and responsible are qualities that we strive for in all our students. We believe that these characteristics are important throughout life. You will see that these are used in assemblies as well as featuring in our reward system at the College.
