

Dear Parent/Carer

From today it is no longer necessary for students to get a PCR test if they are identified as a close contact of a confirmed case. They are now expected to carry out daily LFTs for seven days and can continue to attend College as long as these are negative.

Students will only need to self-isolate and get a PCR test if they either:

- Have one of the three Covid symptoms.
- Return a positive result on a LFT.

Full details of these changes can be found [here on the Government website](#).

Yours faithfully

Tim Darby
