

Dear Parent/Carer

Thank you for your ongoing support with our measures to reduce transmission of Covid-19 in the College community.

### **Covid-19 measures**

Thank you for continuing **to equip your child/children with a face covering to wear at College** and on their journeys to and from College, and for reinforcing with them the importance of this measure.

We are regularly reviewing our risk management approaches and are closely monitoring CO2 levels across the site to ensure good air flow.

### **Testing**

It was very pleasing to see an increase in the responses submitted using ALIS – we had 62% of the student population recording results yesterday.

Please remember that the majority of recent confirmed positive cases are asymptomatic; **please do continue to regularly test your child and notify us of any positive results or suspected cases (via [attendance@lvc.org](mailto:attendance@lvc.org)).**

- If your child has Covid-19 symptoms (new, persistent cough, raised temperature or change/loss of taste or smell) then please arrange a PCR test and self-isolation for your child.
- If your child is identified a close contact (including household) with a confirmed case then please arrange a PCR test. If their PCR test comes back negative, please continue with daily LFT tests for the duration of the case's isolation period.

Please do remember to notify of us all PCR results – positive or negative.

### **Current cases**

Unfortunately, we have seen our positive cases double over the weekend. Please find a summary of our current cases below.

- **Year 7**            **7 positive PCR** and 6 suspected cases
- **Year 8**            **3 positive PCR** and 3 suspected cases
- **Year 9**            **5 positive PCR** and 4 suspected cases
- **Year 10**          **1 positive PCR** and 4 suspected cases
- **Year 11**          1 suspected case
- **Staff**              **3 positive PCR** and 3 suspected cases.

Council England

Due to the increase in positive results we are sending out targeted letters advising some groups to get PCR tests as a precautionary measure. Please keep an eye out for these.

**Vaccination**

Remember if your child is eligible for the vaccination, but has not yet had it, you can book this using the following link: [Book or manage a coronavirus \(COVID-19\) vaccination – NHS \(www.nhs.uk\)](https://www.nhs.uk).

Thank you, once again, for your understanding during this time.

Yours faithfully

Tim Darby

Deputy Principal
