Dear Parent/Carer

GCSE revision materials

Due to parental requests, we are recirculating this comprehensive list of revision materials for you to purchase should you wish. We would like to emphasise these are *optional* only and are not compulsory materials for the courses your child is taking for GCSE.

We are able to offer the following revision items on sQuid until **10 February 2022**, please could you check with your child before purchasing to ensure you order the correct books. They will have been advised by their subject teacher which are the correct books. The past papers are only available for Year 11s.

Students will be advised when the books arrive via the student bulletin board and their tutor and will need to collect them from the student hatch.
