

Marsh Mail

LVC students enjoyed a full week of enrichment at the start of June. Following limited opportunities for trips and visits over the last couple of years, it was fabulous to see students benefiting from a varied programme of fun opportunities outside of the classroom.

While Year 11s were busy with their GCSE exam series, all year groups were experiencing extra-curricular activities including a range of day trips for Year 7s and 8s. Highlights included the Nuclear Races, an extremely muddy assault course, bush craft workshops, a visit to Dance East in Norwich and hosting Year 6s from Linton Heights to showcase Year 7s' performance skills.

Year 9 students enjoyed a week's residential, either exploring cultural sights of London, engaging in water sports in Dorset or enjoying a week in the Peak District, having adventures with their peers.

Meanwhile, our Year 10 students had the option of a week of activities at a PGL site in Lincolnshire or a work experience placement. I'm proud of the responsibility shown by LVC ambassadors in varied workplaces and to all of the students that engaged brilliantly with the week's enrichment programme. It's a testament to LVC staff commitment that we could organise so many trips.

We are looking forward to our Prom celebrations taking place on the College site on Friday 1st July. Our Year 11s have shown incredible resilience during their lengthy exam series following disruption to their education. It will be lovely to be able to welcome parents and members of the community to observe the students' arrivals this year.
