<p><b>Unit worth:</b> 40%</p> <p><b>Type:</b> Examination</p>	<p><b>Unit worth:</b> 30%</p> <p><b>Type:</b> Coursework</p>	<p><b>Unit worth:</b> 30%</p> <p><b>Type:</b> Coursework</p>
<p>This unit is assessed by an exam. In this unit, pupils will learn about the key topics that are important when caring for and protecting people in health and social care. <b>Topics include:</b></p> <ul style="list-style-type: none"> <li>• The rights of service users in health and social care settings.</li> <li>• Person-centered values.</li> <li>• Effective communication in health and social care settings.</li> <li>• Protecting service users and service providers in health and social care settings.</li> </ul>	<p>This unit is assessed by a set assignment. In this unit, pupils will learn about growth and development through the life stages. Pupils will also learn how to understand the needs of individuals who have been affected by life events and how to recommend support to meet their needs. <b>Topics include:</b></p> <ul style="list-style-type: none"> <li>• Life stages.</li> <li>• Impacts of life events.</li> <li>• Sources of support.</li> </ul>	<p>This unit is assessed by a set assignment. In this unit, pupils will research health promotion campaigns and learn about their benefits to society. Pupils will also plan and deliver their own health promotion campaign. <b>Topics include:</b></p> <ul style="list-style-type: none"> <li>• Current public health issues and the impact on society.</li> <li>• Factors influencing health.</li> <li>• Plan and create a health promotion campaign.</li> <li>• Deliver and evaluate a health promotion campaign.</li> </ul>

This qualification will allow pupils to explore different areas of the health and social care provision in the UK.

The three components studied - principles of care, supporting individuals through life events and health promotion campaigns - allow pupils to explore their interests in human development and health and wellbeing across a range of life stages and life experiences.
