

Dear Parents and Carers

You may well have already heard about a serious assault that took place in Strasbourg Square, Haverhill, on Monday afternoon. Given our proximity and the number of LVC students that live in Haverhill, I am sharing this with you to keep you informed:

The police are treating this as an isolated incident with no wider threat to the public.

I am aware that social media enables information to reach young people incredibly quickly. We know that a number of LVC students have been upset by these events and have already received support from our pastoral team. If your child has been affected, please do get in touch with your child's tutor or Head of Year. They can also visit the Support Hub to access support or contact thinkpink@lintonvc.org to reach a member of the safeguarding team.

As this is a live investigation, detectives are appealing to witnesses to the incident. If you have any information that could be of assistance to the police, please make contact with the investigation team via <https://mipp.police.uk/operation/363721008-PO1> quoting the reference 1605/23.

Yours faithfully
