Where can I find subject specific revision materials?

Year 11 Targeted Support - January/February 2023			
Subject	Mandatory Activity	Details of mandatory tasks for targeted students	Revision Advice for all students (independent + targeted)
Maths	4. Online tasks to be completed	Some students will be set weekly online tasks to be completed independently focused on specific skills. These will be set on Fridays, due the following Friday.	Students are encouraged to use HegartyMaths to focus on specific skills for improvement based on the recent mock exams.
	2. Lunch time support sessions	Some students will be asked to attend weekly 30-minute lunchtime support sessions on Wednesdays focused on specific skills.	
	1. After school support sessions	Some students will be asked to attend weekly 60-minute after school support sessions on Wednesdays focused on specific skills.	Students are welcome to join the after school sessions on Wednesdays. They can work on their Sparx homework, HegartyMaths, past papers or any other resource. We will have staff there to support them.
Additional Maths FSMQ	1. After school support sessions	Topic specific lessons on Wednesdays with Mrs Olding in M3. This session is intended for those who started the course late but all are welcome to attend.	Drop is session on Tuesdays with Mrs Olding in M3. This session focuses on Additional Mathematics FSMQ.
Statistics	1. After school support sessions	No students are targeted for Statistics. There is sufficient opportunity in class time for exam preparation.	Students who would like additional practice or support are invited to join the after school Maths support session on Wednesdays in the Business Suite.
English Language	4. Online tasks to be completed	Some students will be set weekly online tasks to be completed independently focused on specific skills.	Specific tasks will be suggested for students to engage with. This is with guidance from the teacher and builds on the reflective processes in the classroom after the mock feedback was given. Focus your homelearning and revision on these specific, granular, targeted tasks that are being suggested to you. Then use the Thursday lunchtime to further enhance your homelearning and address any concerns or misconceptions.
	2. Lunch time support sessions	Some students will be asked to attend weekly 30-minute lunchtime support sessions focused on specific exam elements or improve independent study skills.	All students are welcome to attend.
	1. After school support sessions	Some students will be asked to attend weekly 60-minute after school support sessions focused on specific skills.	All students are welcome to attend.
English Literature	4. Online tasks to be completed	Students will be guided towards specific platforms or videos to supplement the classroom learning. Completion of these will help close the gaps in their performance in the mock exams.	Students should fully read and understand the set texts as set to their your class. Learn the key quotations by heart, the subject terminology and context (when appropriate) that sits behind these key quotations. Then use the wider support on offer with sessions on Tuesdays after school and Thursdays at lunch to further enhance your homelearning and address any concerns or misconceptions.
Biology	1. After school support sessions	After school sessions to allow students to ask and check understanding of key concepts. Additional targeted lunchtime sessions are also available.	Use the revision books provided, kerboodle for access to the text book and some of the work sheets used in class. Use the AQA website to review previous question papers (AQA461 Biology) and the website for required practical practise: https://www.focuslearning.co.uk/ju/37227/sroFridmxFixvmCrEBkwzEcfPpDhslca

The screenshot shows the Linton Village College website. At the top, there is a banner for 'LINTON VILLAGE COLLEGE Main Reception' with a photo of the school entrance. Below this is a section titled 'Top Tips for Revision'. On the left, there is a vertical menu with categories: YEARS 10 AND 11, TOP TIPS FOR REVISION, SUPPORT OPPORTUNITIES, YR11 MOCK EXAMS - NOVEMBER 2022, REVISION ADVICE, POST-16 APPLICATION PROCESS, WELL-BEING SUPPORT, KS4 COURSE OVERVIEWS, and JCQ INFORMATION FOR CANDIDATES. The main content area is titled 'LVC SUBJECT LEADERS' and contains text: 'Follow the link below to access short clips from each of the LVC subject leaders. You'll find some have more general advice for you regarding your revision whilst others are offering specific recommendations for revising their subject. You'll need your LVC log-in to access these clips. Don't be surprised when following the link requires you to sign-in. Don't let that stop you. The videos are worth watching.' Below the text is a grid of video thumbnails for various subjects: Art - J Myler, Biology - Ian Simmons, CS - A Ford, Computer, Dance - H Frost, Drama - L Rod, and English - E Morry.

Available on the LVC website

How do I find out about my child's access arrangements?

Please email Dr Marston
omarston@lintonvc.org

What about the timings of the exams?

- Morning starts 8.45 (in the hall)
- Afternoon 12.45 (in the hall)
- Where longer exams in the afternoon, alternative transport needed.
- (Computer science, RS, Biology, Extra time)
- At least 30 mins before the start of the exam
- Seating plans will be at the sign in point
- Early lunch for those in school all day.
