

THINKPINK for Safeguarding at LVC

Safeguarding is everyone's responsibility therefore if you notice anything that concerns you about our students, **please report it immediately**. Safeguarding concerns can be reported in the following ways depending on whether you are a student, member of staff, parent/carer or visitor.

If you are a student:

Please use thinkpink@lintonvc.org or a **peer postcard** (which can be found in the Support Hub or Library) to raise a concern with the College Safeguarding Team. Any concern raised will always be managed discreetly and sensitively.

If you are a member of staff:

Please use **MyConcern** to raise concerns with the College Safeguarding Team. If you do not have access to MyConcern please use one of the College's **pink referral forms** which are **located at Reception**. This will need to be **handed to a member of the College Safeguarding Team** on the **same day that it is completed**.

If you are a parent/carer:

Please use the College **THINKPINK email address** to raise concerns with the College Safeguarding Team (thinkpink@lintonvc.org).

If you are a visitor:

Please use one of the College's **pink referral forms** which are **located at Reception**. This will need to be **handed to a member of the College Safeguarding Team** on the **same day that it is completed**.
