

Top Tips for DT Revision

1. Make the most of lessons

Teachers have planned the remaining weeks to complete the GCSE course. Time is of the optimum and work done in lessons is very important. If you miss any lessons, ask what you can do to catch up.

2. Complete all homework on satchel:one

If you have been asked to do homework's, please do them.

3. Refine coursework

The coursework (NEA) for the course is ongoing. The deadline will be with us before you know it. The work should be constantly refined to make sure it is of as high a quality as is possible.

4. Complete past papers using the mark scheme.

Completing past papers and comparing the to the mark scheme is a valuable exercise, past papers and mark schemes can be found on the AQA website. <https://www.aqa.org.uk/subjects/design-and-technology/gcse/design-and-technology-8552/assessment-resources?f.Resource+type%7C6=Question+papers>

5. If you like a 'screen' approach to revision.
