

Dear Parents and Carers,

Rather fitting, it's National Careers Week this week before moving into Science week in a fortnights time.

Our Year 8 and 9 students are in the process of considering available subject options, for their future pathways. In this newsletter you'll find some useful support to help guide and navigate with these choices.

We've got two exciting opportunities for years 8 and 10's this side of Easter. Along with reminders for our year 10 Work Experience Week.

The Careers Team

National Careers Week 4-9th March

National Careers Week 2024 4th – 9th March | info@nationalcareersweek.com

MONDAY – Natwest Group

TUESDAY - Health Careers

THURSDAY – World Skills UK

FRIDAY – UK Hospitality

#NCW2024

VIRTUAL **Careers Fair**.

Headline Partner:

<https://ncw2024.co.uk/>

National Careers Week is a one-week celebration of careers guidance and free resources in education across the UK.

Tens of thousands of students across the country took part in Careers Week last year, having an opportunity to access the Virtual Careers Fair and take part in other careers activities.

You don't just have to be in school to access the Virtual Careers Fair though.

YOUR FUTURE STARTS HERE.

#NCW2024
4TH-9TH MARCH

Top 10 jobs teenagers want when they're older are revealed.

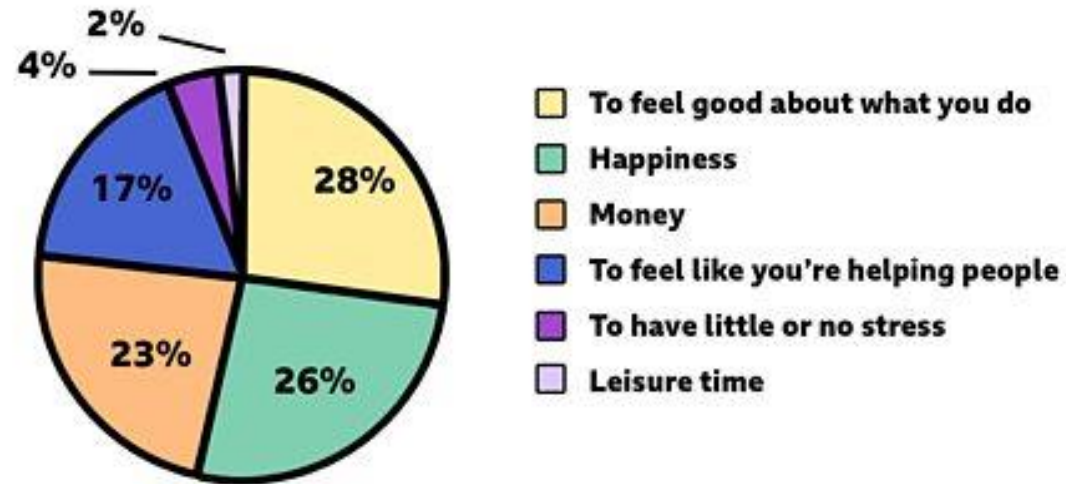

THIS WEEK IS NATIONAL CAREERS WEEK: Monday 4 March to Saturday 9 March.

It aims to help you become more aware of your career and make you excited about your future.

Rank	Careers
1	Engineer
2	Teacher

6	Footballer
7	Police Officer
8	Computer Scientist
9	Nurse
10	Architect

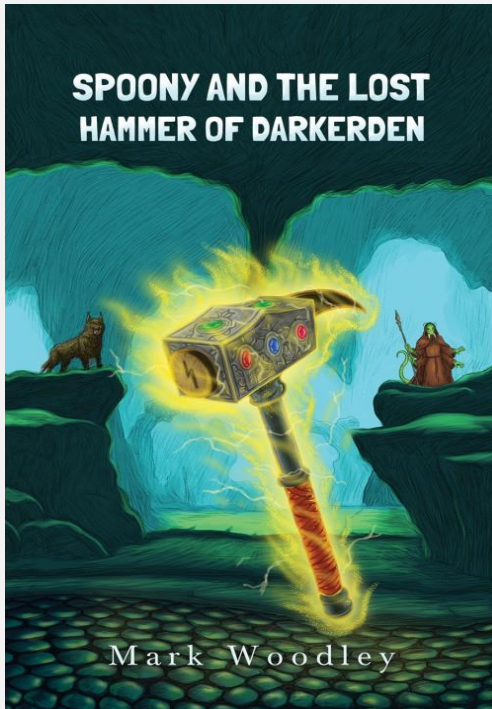

Which of the following things is most important to you in your job?

COMING SOON

Findings from the latest National teenage survey on careers

MEET THE AUTHOR

Year 8 Students will have the opportunity to meet, listen and talk to the Author, Mark Woodley. **March 7th**

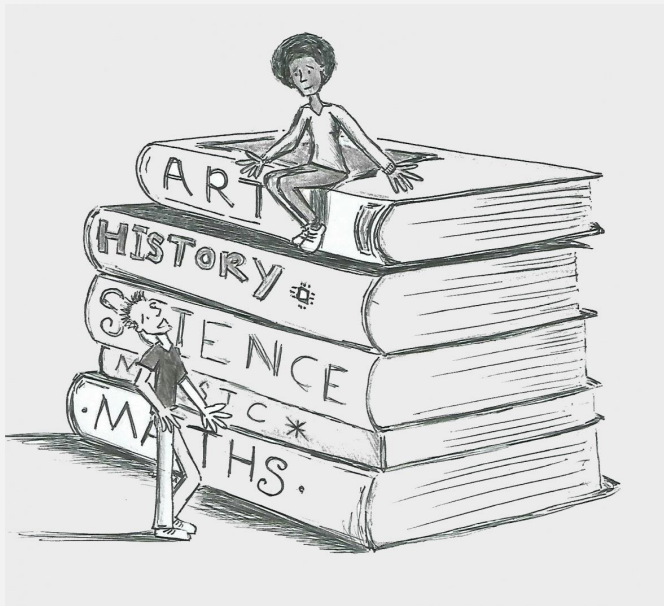

An up and coming author known for engaging storytelling and vivid world-building. Inviting readers of all ages into a magical realm full of wonder, adventure, and delight.

MEET A SCIENTIST

Year 10 Students will have the opportunity to meet, listen and talk to Scientist **Denise Walker** from LMB Lab explain her research into scientific developments using works. **March 12th**

The year 10 Dance students will then use this as a starting point for a mock choreography piece.

Making Subject Choices at Age 12-14

At the age of around 12-14, perhaps for the first time in their life, your child will have to make important decisions. Some young people find it easier to decide on what to do than others, but because the choices they make now can impact on their futures, they need to take time to consider their options.

Tuesday 26 March @ 17:00 UK time - 45 mins

Years 9 – 11 access your Unifrog account for signing up to these webinars found under 'EVENTS'.

Year 8 – We will be onboarding you before Easter.

World Challenge Launch

An opportunity has just launched for our current year 10's to join an expedition to Croatia in Summer 2025 following their GCSE's. A perfect opportunity to build key employment skills and something to speak about for the rest of their lives. Many of our students have raised the funds in the past by fund raising the money themselves, taking on gardening, baby sitting, news paper rounds, car washing type jobs etc.

The image shows a landing page for the 'World Challenge Expedition to Croatia'. The background is a scenic view of a coastal town with red-roofed buildings and a large stone fortress on a hill. The text 'LINTON VILLAGE COLLEGE & WORLD CHALLENGE PRESENT' is at the top left, followed by 'EXPEDITION TO CROATIA' in large, white, stylized letters. Below this, there are two buttons: 'Register for Zoom Presentation' and 'Trip sign up'. The date 'March 5, 2024 6:00 pm' and the deadline 'Deadline: March 12, 2024' are listed. A 'View Itinerary' button is at the bottom left. On the right, there is a video player with the title 'World Challenge - Find Your Place In The ...' and a 'Copy link' button. The video shows a person's legs hanging out of a ziplane, with the text 'Live the adventure' and a play button icon. At the bottom right, it says 'Arriving July 20, 2025'. The top navigation bar includes links for 'who we are', 'what we do', 'where we go', and a 'Contact Us' button. The Linton Village College logo is in the top right corner.

**MORGAN
SINDALL**
CONSTRUCTION

Work Experience Opportunities Academic year 2023/24

Morgan Sindall Construction East of England are offering in person work experience to students from Y10 – 13 across their 4 offices. We are a main contractor which means we manage the process of the build. The actual building element is delivered via our subcontractors. The work experience is best suited for those that show natural leadership skills, great problem solving, team work and can communicate in both verbal and written formats.

The programme is inclusive of all abilities and we are encouraging students from all demographics to take part. Students will be required to bring in their own laptop (please contact us if this is a problem for a student, we have a handful of spares).

The dates for 2023/24 are:

20th – 24th May – 9.30am – 4pm - Norwich office
Broadland business park NR7 0WG

Schools register numbers [here](#)

We've registered interest on behalf of LVC. Please notify your tutor if interested.

IP1 1UQ (walking distance of the train station)

Schools register numbers [here](#)

What Does the week involve?

Students will work in our offices and in teams. Each team member will have a job role to deliver a task related to the project.

- Get a project brief
- Meet job role experts
- Virtual or in person site tour
- CV & Interview technique workshop
- Independent working in their teams
- Hear from Degree Level Apprentices
- Presentations on the last day
- A packed week Mon – Fri
- Away day (travel costs covered)

DISCOVER!
creative careers

Parents Event—Discover Creative Careers

One of the biggest barriers for young people considering careers in the creative industries can be convincing parents and carers that the industry can offer rewarding career opportunities. Discover Creative Careers are offering parents an opportunity to hear directly from creative industry employers about roles available and the importance of creative skills in the workplace. Thursday, 18 April 18:30 - 19:30 Parents and Carers can access the event at [Register](#)

YR 10 - KEY DATES

When: June 3rd – 7th (the week after half term)

Submission of completed WEX Forms: Friday 26th April
