

Top Tips for Dance

- 1. Ensure you are attending at least one NEA rehearsal per week. This will ensure that you receive Feedback for your performance and choreography work**
- 2. Revise the anthology works regularly and for a short amount of time (films on Satchel One). Please use the analysis sheets to help you revise specific sections of the works. Remember, the higher mark bands can only be achieved if specific examples are used in your writing**
- 3. Regularly revise the terminology for the exam by using the knowledge organiser and the glossary**
- 4. Try to work with a friend so that you can discuss the anthology works and also test each other on the vocabulary for GCSE Dance**
