

LVC Trust Fund and Gift Aid Scheme

What is the Trust Fund?

The Trust Fund was established in 1987 as a charity to help the College to meet the welfare needs of individual pupils and to provide additional facilities for community use. The Trust Fund is a private fund and as such is not part of the College's budget. This gives the College the freedom to direct Trust funds to meet the needs of individual students or projects as they arise.

As taxpayers we all make contributions to the state funding of education, but as you will be aware, funding in Cambridgeshire only covers the bare necessities of running the College. The Trust Fund enables us to do a little bit more. In the past the fund has helped individuals purchase musical instruments, has contributed to the cost of trips and visits and has enabled us to buy specialist equipment like the tents we use for Duke of Edinburgh expeditions, for example.

How can you help?

If all pupils were supported by £50 per year (under one pound a week) the College would gain nearly £50,000 a year. More realistically perhaps, half that amount should be easily attainable and would be of tremendous benefit. So please give it some thought.

How does it work?

You make a commitment to contribute a fixed sum per year for five years via a monthly or quarterly standing order or a one-off donation. If you wish to pay by this method, please use the following details to set up via your bank.
